DIAMOND ROBBERY.

Three Men Took a Tray Containing \$2,500 Worth of Rings from Store.

Utica, N. Y., July 18.—Two young men yesterday afternoon examined jewelry in Wineburg's store in Genesee street. Soon they were joined by a third and taller man, and after discussing purchases some time they left the store. In a few minutes it was discovered that a tray of diamond rings in the case before which they stood was missing. There were 24 rings in the case, some of them carrying two karat diamonds. The total value of the diamonds is placed at \$2,500.

The robbers boarded a trolley car for Rome, and two of them registered at Stanwix hall as A. M. Bliss and Albert Young of New York. They changed portions of their clothing and left the hotel. They were arrested west of Rome last night, but none of the goods were found on them. It appears that there were four in the party, and it is evident that they separated, the men having the plunder still being at liberty. The men arrested were brought to Utica at midnight last night, and were completely identified.
